LinkedIn Profile: <https://www.linkedin.com/in/shivdasjadhav-7b8096210/>

Objective

After my collage, I want to learn the things practically. For that I want to obtain an entry-level position in Web Programming at a respected organization and utilize the educational qualifications I've obtained in my collage life.

Experience

- SSIT Private Limited, Nagpur. / Internship 02/09/2021-15/10/2021

I have successfully completed this Internship in "Website Programming". where I have Designed and Deployed various Front-End Websites for Businesses, Goods Suppliers and Shop Keepers with my team, under the guidance of Mr. Santosh Selokar sir..

Education

- Dr. Ambedkar Vidyalaya Jalagaon jamod (2019)
SSC
77.60%
 - Tulsiramji Gikwad Patil Collage of Engineering and Technology. (2022)
Deploma
Stream: Computer Science and Engineering
-

Skills

- Core Java
 - JavaScript
 - GitHub
-

Projects

- Academic Project:
Class Monitoring and Attendance Tracking System.
This is a Integrated System which is Hardware & Software based.
here a class will be monitored using a CCTV camera, mic and Speaker. whereas the Attendance will be tracked using a software and Biometric Mechanism.

- Personal project:
google copy.
This is a Front-End web page Deals with input queries provided by user to search on. This acts as same as google search, image search and Advance search.

Personal Details

- **Date of Birth:** 15/05/2003

- **About Me:**

I'm a person who always choose to work Hardly or Smartly depending upon the situations. I am a Fast Leaner and Dedicated person for work. Learning things from my Mistakes is one of my hobbies.

Now I'm pursuing my diploma in the stream of Computer Science and Engineering from the collage Tulsiramji Gaikwad Patil Collage of Engineering and Technology, Nagpur. I'm in my 6th Semester now and about to complete my diploma. I want to complete my B.E in Information Technology by doing a full-time job to manage my Expenses.

In the days of Covid pandemic I have studied website technologies like HTML, CSS, JavaScript and Core Java from available online resources. Am not certified for that but yes I have Successfully completed an Internship in "Web development" on the basis of that knowledge.

- **Hobbies and Interests:**

- Playing Cricket
- Listening Music
- Playing Video games
- Watching Greenery and Movies
- Exploring new technologies
- Reading Sanskrit and Granthas
- Sports
